RESOLUTION NO. \_\_\_\_\_

RESOLUTION URGING CONGRESS TO AUTHORIZE AND  
PROVIDE FUNDING FOR THE CENTRAL EVERGLADES  
PLANNING PROJECT

**WHEREAS**, the Greater Everglades Ecosystem is a globally imperiled habitat that is essential to the proper functioning of the Biscayne Aquifer, the primary source of drinking water for the residents of Miami-Dade County; and

**WHEREAS**, Everglades National Park is critical to South Florida's tourism, with nearly a million visitors each year, 30 percent of whom are from outside the United States; and

**WHEREAS**, the Everglades ecosystem has continued to decline in the face of restoration delays and an expedited solution is needed to increase the quality, quantity, timing and distribution of freshwater flows into the central Everglades, Everglades National Park, and Florida and Biscayne Bays; and

**WHEREAS**, increased deliveries of water south of Lake Okeechobee will reduce damaging discharges to the Caloosahatchee and St. Lucie estuaries; and

**WHEREAS**, the Comprehensive Everglades Restoration Plan provides a framework and guide to restore, protect and preserve the water resources of central and southern Florida, including the Everglades; and

**WHEREAS**, one key project under the Comprehensive Everglades Restoration Plan is the Central Everglades Planning Project; and

**WHEREAS**, the Central Everglades Planning Project identifies and plans for projects on land already in public ownership to allow more water to be directed south of Lake Okeechobee to the central Everglades, Everglades National Park and Florida Bay while protecting coastal estuaries; and

**WHEREAS**, the goal of the Central Everglades Planning Project is to deliver a finalized plan for a suite of restoration projects in the central Everglades to prepare for congressional authorization, as part of the Comprehensive Everglades Restoration Plan; and

**WHEREAS**, on October 2, 2012, this Board enacted Resolution No. R-817-12, which supported the Central Everglades Planning Project for the restoration of the central Everglades; and

**WHEREAS**, the Central Everglades Planning Project still awaits Congressional authorization, and as a result, risks not being finalized in time to be included in the current Water Resources Development Act bill in Congress, which would provide funding for the project; and

**WHEREAS**, it is the hope and desire of this Board that the United States Congress will authorize and appropriate the necessary federal funds to implement the Central Everglades Planning Project,

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA**, that this Board:

**Section 1.** Urges Congress to authorize and provide funding for the Central Everglades Planning Project.

**Section 2.** Directs the Clerk of the Board to transmit a certified copy of this resolution to the members of the Florida Congressional Delegation.

**Section 3.** Directs the County's federal lobbyists to advocate for the passage of the legislation and action set forth in Section 1 above, and authorizes and directs the Office of Intergovernmental Affairs to amend the 2014 Federal Legislative Package to include this item and to include this item in the 2015 Federal Legislative Package when it is presented to the Board.
